## PERSONAL PROFILE

---

Disciplined and dependable school leaver with a well-rounded mix of teamwork, communication and personal discipline built through community involvement, performance and competitive sport. Regular training in kickboxing, arm-wrestling and the gym has given me a strong work ethic, perseverance and a clear respect for structure and hierarchy, while volunteering, choir and an international school visit have developed my communication, teamwork and confidence working with others.

## KEY SKILLS

---

- **Discipline & Perseverance** — Built through consistent training in kickboxing, the gym and arm-wrestling, where progress depends on showing up and putting in the work week after week.
- **Respect for Structure & Hierarchy** — Kickboxing training is structured around instructors, gradings and gym etiquette, giving me a clear understanding of and respect for chain of command and hierarchy in a structured environment.
- **Communication & Public Speaking** — Delivered presentations to students in Italy and sing as part of a church choir, both of which require confidence speaking and performing in front of others.
- **Teamwork** — Worked alongside volunteers, staff and choir members, and supported large crowds during live events at Headingley Stadium.
- **Reliability & Time Management** — Balance training, schoolwork, choir and volunteering commitments, attending consistently and on time.
- **Problem Solving & Adaptability** — Comfortable adapting under pressure, whether responding to a live event, a competitive arm-wrestling match, or an unfamiliar classroom abroad.

## ACTIVITIES & INTERESTS

---

### Kickboxing, Gym Training & Arm-wrestling

*Ongoing*

- Train consistently across all three, building discipline, perseverance, and physical resilience.
- Kickboxing has developed my understanding of structured hierarchy, following instruction and earning progress through gradings.
- Arm-wrestling competitions have built composure and focus under direct, head-to-head pressure.

### Church Choir

*Ongoing*

- Sing regularly as part of a choir, developing teamwork, listening skills and confidence performing in front of an audience.

### International Educational Visit — Borgo Valsugana, Italy

*Spring 2024*

- Delivered presentations about life in Britain and taught short lessons to students in Italian schools, developing public speaking and cultural awareness.

## EXPERIENCE

---

### Waste Management Assistant — Headingley Stadium

*Summer 2025*

- Maintained cleanliness and presentation standards during major cricket events, working efficiently as part of a team in a busy environment.

### Volunteer — CATCH Leeds

*Summer 2025*

- Assisted with community projects and activities alongside staff and other volunteers.

## EDUCATION

---

### Co-op Academy Leeds — GCSEs

*2021 – 2026 (results pending)*

- English Language, English Literature, Mathematics, Combined Science, Computer Science, Business Studies, Geography, Music.
